Dear family members,

Wish all of you a very happy new year and pleasant happy days. As you know, our family address book was updated during the year 2008. So as such, the book has become obsolete, due to the arrival of new members into the list and deletion of the departed members of our family in to the heavenly abode. Hence this effort has been made for the new printing.

With the limitation of ours, we have made an earnest effort to print the address book. The list of all members of different sections has been prepared and put into digital mode. The same had been sent to the respective representatives for corrections. Accordingly the final copy has been published. Please bear with us, if any further mistakes have crept into the book.

Once again your co-operation and response are thanked. Let me express my sincere thanks to all the unit representatives and joint secretary Sri. A.A. Thomas for their assistance in the compilation and digitalization process.

Yours sincerely,

01.01.2019

**Rafi V. Alapatt**  
(Secretary)
